Course Overview

The Patrol Partner Package course combines practical shooting, basic CQB, small- team tactics, and critical decision making. All these skillsets come together in a fast-paced course with the goal of better preparing patrol partners for crisis response. In this course you will work exclusively with your partner, sharpening hard skills, developing verbal and non-verbal communication, and enhancing your tactics, all within a competitive yet highly informative environment. The Patrol Partner Package will include extensive range drills, force-on-force scenarios, as well as live-fire in a shoothouse.

Required Gear

- Gunbelt
- Pistol / magazines
- Body armor, eye/ear protection
- Sim pistol – 50 rounds marking ammo
- 400 rounds ball ammunition
- 250 rounds frangible ammunition

Instructor Background

Instructors: Your TruKinetics instructors bring an exceptional level of operational experience and passion for teaching the new generation of Law Enforcement officers. Each instructor possesses extensive backgrounds with Phoenix PD Special Assignments Unit, along with government contracting across various programs, and competitive shooting. Your instructors were patrol officers at one time, with full understanding of the challenges being faced in today's environment.
